when I see you by my side.
 Be the one to know your heart.

9

You're al - ways there for me. A har - mo - ny in ev - ry key. Now,
 We'll share all kinds of no - tions. Ex - plore the lands and o - ceans.

13

Who would have ev - er - thought that life could be so heav - en - ly?
 Real - ly know - ing the whole world will be for you and me.

B

I nev - er went out on a limb like this. I nev - er took the plunge.
 This is the match I was dream - ing of, yet it's so real and true.

I nev - er thought that this could ex - ist but you're the one and so I'll
 There was some help from those up a - bove, and so I'll share my life with
